

Touching lives through  
Quality Assurance

Testtex

It's been a  
tough journey

Armed with a vision of touching lives through quality assurance, Testtex started its journey in 1988. What began as a one stop laboratory in Mumbai in the field of testing, has now developed into an impressive entity. With a presence across ten global locations, Testtex now shares its expertise with the world.

Though the going was tough initially, Testtex kept ahead of the pack by adopting technological advancements in Testing, Inspection, Research, Product Development, Training & Consultancy to accomplish its mission.

With state of the art equipment and a core team of over 250 qualified and trained technical personnel, Testtex delivers quality services with minimal lead time.

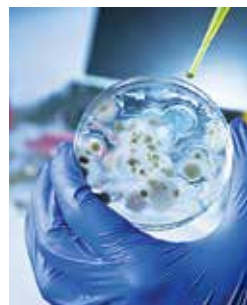

With the entry of international players into the Indian market, Testtex has grown in stature. Rising to the challenges posed by new international standards, Testtex has delivered way beyond expectations. Our focus is customer satisfaction and helping them to build their brands.

Testtex cares for the environment and a sustainable ecology.

Testtex India Laboratories Pvt Ltd has its H.O. & Central Laboratory at Mumbai and Branch Laboratories at Tirupur, Noida, and Rajkot; with collection centers at Ahmedabad, Kolkata and Ludhiana. It's international arm covers Hong Kong, Dubai and KSA.

Testtex has successfully accomplished promise of trust and built legacy of faith.

As we journey towards new goals, we grow from strength to strength.

# Complying with global standards

Accreditation & Certification

Bureau of Indian Standards

## Certification and Accreditation

Our laboratories comply with ISO / IEC 17025: 2005 quality standards as per National Accreditation Board for Testing and Calibration Laboratories (NABL). Testtex India is also certified and approved by the Bureau of India standards (BIS), Indian Oilseed and Produce Export Promotion Council (IOPEPC), Food Safety and Standards Authority of India (FSSAI), United States Consumer Products Safety Commission (CPSC), The Agricultural and Processed Food Products Export Development Authority (APEDA), The Grain and Feed Trade Association (GAFTA).

As per the Mutual Recognition Agreement (MRA) signed by the members of International Laboratory Accreditation Cooperation (ILAC), test reports issued by the NABL (National Accreditation Board For Testing & Calibration Laboratories) accredited laboratories are recognized in India and abroad.
